

Guiding New York City to become the AI Center of Excellence

AI NexusLab

A partnership between the Future Labs at NYU Tandon and ff
Venture Capital

Future Labs at NYU Tandon

- Started as a partnership between NYU and the City of New York to form the first NYC incubator
- Leveraging NYU resources to catalyze startup success through curated programming and support
- Companies have to drive new technology adoption, job creation, and economic development in NYC
- The program is a conduit between the entrepreneurial ecosystem in NYC and the academic community at NYU
